

Connected Learning at Scale: An International Symposium
August 8-9, 2018 | Tata Institute of Social Sciences, Mumbai, India

Time and *Venue	Day 1- August 8
9.00-9.30 am Venue 1	Registration
9.30-10.30 am Venue 1	<p>Keynote Plenary: Perspectives and Practices in Technology-Enabled Teaching, Learning and Future Directions</p> <p>Practice based and scholarly perspectives on the future of technology enabled education, setting the agenda for the two days' engagement</p> <p>Speakers: RCM Reddy, IL&FS Education ; Victoria L. Tinio, Fit-Ed; Vijay Kumar, MIT Chair: Padma M Sarangapani, TISS</p>
10.30-11.00 am	Tea break
11.00 am -12.30 pm Venue 1	<p>Plenary 01: Connected Learning Initiative (CLix): Quality at Scale</p> <p>Designing and Implementing CLix across schools in India: What did it take? Principal Investigators and core team leads of CLix discuss the developments of the initiative, key findings and learnings since its inception in 2015.</p> <p>Panelists: Padma M Sarangapani, Ajay K Singh, Amina Charania, TISS Eric Klopfer, MIT; Tara Sabavala, Tata Trusts; Nagarjuna G., HBCSE Moderator: Amrita Patwardhan, Tata Trusts</p>
12.30-2.00 pm Venue 1	Poster Presentations (will continue through lunch break)
1.00-2.00 pm	Lunch break
2.00-3.30 pm	<p align="center">Parallel Sessions</p> <p>Venue 01: Conecta Ideas: ICT supported teaching with a social motivation strategy - Roberto Araya Schulz, University of Chile IT Training through Spoken Tutorials to Reach the Unreached - Kannan Moudgalya, IIT Bombay</p> <p>Academic experts will share insights based on their research on ICT enabled teaching and learning initiatives</p>
	<p>Venue 02: Education Reform: Role of Assessments and Technology to improve learning outcomes at scale - Pranav Kothari, Educational Initiatives Addressing student learning outcomes through progressively building teacher capacity-Mona Mathur, Million Sparks Building a world where every teacher will learn and grow anytime, anywhere at</p>

	<p>zero cost- Sarita Sharma, Teacher App</p> <p>Leaders from these organizations will share key insights and observations based on their work with teachers and students from K-12 schools in India</p>
	<p>Venue 03: Continuous Professional Development for Government School Teachers - Amina Charania, TISS</p> <p>Online Teacher Communities of Practice - Bindu Thirumalai, TISS</p> <p>TISS faculty present experiences and research based findings based on two models of blended learning for practicing teachers</p>
3.30-4.00 pm	Tea Break
4.00-5.30 Venue 1	<p>Plenary 02: Teachers' Voices: Opportunities and Challenges in Implementation of ICT Based Learning</p> <p>Panelists: Odelu Kumar, Teacher Telangana; Shweta Gupta, Teacher, Rajasthan; Jogen Chandra Rajbongshi, Teacher, Assam ; Sajid Ansari Hussain, Teacher, West Bengal; Radhakrishnan C, Principal, Kerala</p> <p>Moderator: Amina Charania, TISS</p> <p>Teachers representing national initiatives will share their reflections on their ICT based professional development and practice.</p>
5.30-5.35	<p>Synthesis of the Day's Proceedings</p> <p>Judith Perry, MIT</p>
5.35-6.30	Poster Presentations
7.00 pm onwards Venue 1 + TISS Guest House(Dinner)	<p>Special Reception: A gathering to recognize CLIX partners' and teachers' contribution to the initiative</p> <p>(To be followed by Dinner)</p>

Time	Day 2- August 9
9.00-9.30 am Venue 1	Registration
9.30-11.00 am Venue 1	<p align="center">Plenary 03: Policy and Practice in Technology based Education</p> <p align="center">Panelists : Gurumurthy Kasinathan, ITfC; Krishna Barua, Govt. of Assam ; Gaurav Dwivedi , Govt. of Chhattisgarh, Pekka Neittaanmäki, University of Jyväskylä, Finland</p> <p align="center">Moderator: Archana Mehendale, TISS</p> <p align="center">This panel brings together government representatives from India and other contexts to address policy dimensions and their implications for large-scale education initiatives</p>
11.00-11.30 am	Tea Break
11.30-12.30 pm	<p align="center">(Parallel Sessions)</p> <p>Venue 01 : Building Design Capacity: A Model for Developing Teams' Design Expertise - Eric Klopfer, MIT</p> <p>Presenter will share his experiences, successes and challenges of using a capacity building model with design based approach and participants will participate in a mini-activity.</p> <hr/> <p>Venue 02: Implementation Monitoring at Scale: The Good, the Bad, and the Difficult- Archana Mehendale, TISS & Glenda Stump, MIT</p> <p>Participants will explore key considerations for implementation monitoring via case studies (examples and non-examples) from developing country contexts.</p>
	Venue 04:
12.30-1.30 pm Venue 1	<p align="center">Demo Sessions</p> <p align="center">CEQUE, CLIX ,HBCSE, ITE , MIT, PARAG, STORYEDGE, SVYM, Tata Class Edge</p>
1.00-2.00 pm	Lunch Break
2.00-3.30 pm	<p align="center">(Parallel Sessions)</p> <p>Venue 01 : Roundtable: Contemporary approaches to developing partnerships for large scale education initiatives</p> <p align="center">Speakers: Maarit Palo, IBM Finland; Upender Reddy, Govt. of Telangana; Lalbiakdiki Hnamte, Mizoram University; Nirada Devi, Govt. Of Assam, Romen Das, Govt. of Assam; Brandon Muramatsu, MIT; Omkar Balli, TISS; Manmohan Singh, KEF; Sylvia Garde, Fit-Ed; Archana Mehendale, TISS; Nagendra Nagpal, CERP; Anil Mammen, Tata Class Edge</p>

	Moderator: Ajay K Singh
	<p style="text-align: center;">Venue 02: Practice based Research in Educational Technology - Pekka Neittaanmäki, University of Jyväskylä, Finland</p> <p style="text-align: center;">Designing Educational Technologies for Collaborative and Connected Learning at Scale - Nagarjuna G., HBCSE; Sadaqat Mulla, TISS</p> <p>In this workshop, with a blend of discussion, demonstration and hands-on, presenters will share the experiences of how the CLIX technologies came into being, how connected learning in disconnected spaces is being experimented, possible approaches for scaling up and tools to foster connected and collaborative learning.</p>
	<p style="text-align: center;">Venue 03: Traditional Games - Sree Ranjini, Kavade</p> <p style="text-align: center;">Followed by Fireside chat on Games for Learning Discussants: Amit Dhakulkar, TISS & Judith Perry, MIT National Open Education Resources -Indu Kumar , CIET, NCERT</p>
3.30-4.00 pm	Tea Break
4.00-5.30 pm Venue 1	<p style="text-align: center;">Plenary 04: Looking Back & Moving Forward - Insights on building sustainable models for improving education</p> <p style="text-align: center;">Panelists: Lucia Dellagnello, CIEB; Nidhi Pundhir, HCL Foundation, R. Venkataramanan, Tata Trusts; Shaheen Mistri, Teach for India; Sanjay Gupta, English Helper; Moderator: Vijay Kumar, MIT</p> <p style="text-align: center;">What have we learned the last two days and how do we extend that to other contexts? How do we create opportunities to improve education and employment prospects for underserved youth?</p>
5.30- 5.45 pm	Closing Remarks
5.45 pm onwards	Demo Sessions continued
